The purpose of the “**Big Shooter Baseball Camp**” is to teach the fundamentals of baseball to various age levels, helping each participant to better understand the game. The “**Big Shooter Baseball Camp**” will also aid in further development of individual skills through instruction, individual / multi-player drills, as well as interaction with players off the field in a great camp setting. Campers will work hard but have fun!

Coach Baker and staff will conduct the camp in the same manner and in the same style as the Florida State Baseball Camps that he has directed for the past 28 years. The organization and set-up of the camp will permit quality instruction of all skill levels and ages.

The camp is designed for those who want to improve their skills and at the same time taste the feel of ‘big time’ college baseball. All campers are expected to listen, work to the best of their abilities, and follow camp rules. Those unable to adhere to the Camp’s rules will be asked to leave.

We hope you will take advantage of this opportunity and come be a part of the “**BIG SHOOTER BASEBALL CAMP**”.

## Why Big Shooter?

One of Coach Chip Baker's favorite expressions is "Big Shooter". He has had a lot of "Big Shooters" come through camps he has directed at Florida State. Past camps, in which Coach Baker has directed, have produced 27 first round draft picks including Chipper Jones, Alex Rodriguez, J.D. Drew, Justin and BJ Upton. World Series and Olympic Gold Medalist Doug Mientkiewicz attended camp, and most recently the 2010 National HS player of the year, Kaleb Cowart. Come be a "Big Shooter" and learn from one of the best!

### Chip Baker

Chip Baker has been a member of the Florida State Baseball program for 32 years. He has been a part of 25 NCAA postseason tournaments and 13 College World Series.
